

## First Annual Stakeholder's Meeting & Elections

*This will be a business meeting to elect new trustees to the Greater Dane Dental Society Board.*

### 3 Trustee positions on the GDDS Board are currently available

Trustees are voting members of our board and have the opportunity to pursue roles of President, President Elect, Treasurer and Secretary, but are not obligated to do so. Trustees also often chair our committees (Including social, membership, continuing education, and community outreach) and report back to the board. Commitments include monthly evening meetings and additional time as needed for planning events.

**Qualifications:** Any active member dentist of GDDS who would like to be considered for the board must submit a CV to [greaterdanedental@gmail.com](mailto:greaterdanedental@gmail.com) by Tuesday, September 27, 2022. Applicants will have an opportunity to share a few words of introduction at the meeting if they are interested.

**Term:** Three year term beginning January 1, 2023-January 1, 2026

*Please note that the GDDS Board understands if unexpected life circumstances prevent you from completing your term and will make arrangements as needed.*

**Election:** Directors shall be elected by a plurality of the votes cast.

"Plurality" means that the individuals with the largest number of votes are elected as directors up to the maximum number of directors to be chosen at the election.
